Àireamhachd agus Matamataig- Numeracy and Mathematics

Anns an 'Leabhar Leudachaidh Àireimh' cur crìoch air duilleag 9. Cleachd a' chearnag ceud anns a' phasgan agad no loighne àireimh airson do chuideachadh. In your 'Leabhar leudachaidh Àireimh' answer the questions on page 9. Use the 100 square in your Home Learning pack to help you. You could also use some of the materials you used in yesterday's maths activity. Here is an example of how to use a number line to support you.

Fuaimean Fonaigs - Phonics

Tha sinn dol a dhèanamh beagan ath-sgrùdaidh air na fuaimean agus na Faclan Cumanta againn. Seo am Powerpoint airson na seachdain seo.

We're going to be revising our sounds and our faclan cumanta. The powerpoint for this week is attached in the blog.

Faclan Cumanta | Common words

Seo na faclan cumanta againne airson na seachdain seo:

Here are our faclan cumanta for this week.

bha (was), ann (in), anns (in the), aon (one)

Sgrìobh na faclan ann an dòigh inntinneach. An urrainn dhut an sgrìobhadh anns an adhar no le stuthan? Tha mise air an sgrìobhadh ann an bogha-froise.

Practice writing your words in an interesting way. Could you write them in the air or using things from around the house? I have written mine in a rainbow.
