Ceistean Cinn- Mental Maths

Cleachd stuthan airson cunntadh suas agus sìos ann an 2an.
Dh'fhaodadh tu rud sam bith a th' agad anns an taigh a chleachdadh m.e. stocainnean, cnagan, sligean, ùbhlán, pinn.

Use everyday objects to help you count forwards and backwards in 2s. You can use anything you have in the house, eg. socks, shells, pegs.

Àireamh an Latha | Number of the Day

Cleachd do bhòrd geal airson a chrìochnachadh- Use your whiteboard to finish the table.

Fuaimean Fonaigs - Phonics

Tha sinn dol a dhèanamh beagan ath-sgrùdaidh air na Faclan Cumanta againn. Seo am Powerpoint airson na seachdain seo.

We're going to be revising our faclan cumanta. Here is the powerpoint for this week.

Làmh-Sgrìobhaidh- Handwriting

Feumaidh cuideigin na faclan a sgrìobhadh anns an deotair dearg agad. Tha sia faclan ann an t-seachdain seo -

is,
is toil,
's e (tha bearn corraig ann eadar s agus e),
agad,
agam,
leam.

Tha dòighean diofaraichte sgrìobhaidh againn airson gach sgoilear. Dìreach coimhead air an duilleag mu dheireadh agus sgrìobh na faclan mar sin. Ath-sgrìobh na faclan 3 tursan air gach loidhne,

Someone at home needs to write the words in your red jotter. There are six this week

-
is,
is toil,
's e (there is a finger space between s and e),
agad,
agam,
leam.

We have different ways of writing for each student. Just look at the last page that we completed and write the words like that. Re-write the words 3 times on each line.

1. Le taic (with support - highlighter/marker pen filling space between the two blue lines)
2. Gun taic (without support- letters not joined up)
3. Ri chèile (together - joined up cursive writing)
4. Nas motha (bigger - words sit on red line and go up to the top blue for short letters and red line for tall letters)
