An-diugh tha sinn ag ionnsachadh cimar a bhios sinn a' togail arraigh.

Today we are learning how to build an array.

streath- row
colbh- column

Tog arraigh le 3 sreathan de 2 dotagan

Tog arraigh le 3 sreathan de 6 dotagan.

Tog arraigh le 4 sreathan de 3 dotagan

Nuair a tha thu deiseil feuch agus tog arraigh thu fhèin a' cleachadh peann is pàipear no stuth bho thimcheall an taigh agad.

Nuair a tha thu deiseil a' togail an arraigh cunnt cia mheud sreath agus colbh a chì thu.

Now you are finished try and build your own array using a pen and paper or you can use things from around your house.

When you are finished building your array count how many rows and columns it has.
