| *Each Thursday, we will be learning about time.*

Obair Matamataig an Latha | Daily Maths Work

Tha sinn ag ionnsachadh mu dheidhinn an uair.

We are learning about time.

'S urrainn dhomh na mìosan a ràdh san òrdugh cheart.

I can say the months in the right order.

Èist ris a chlàr seo airson òran nam mìosan a chluinntinn. Feuch seinn còmhla ris. Bhiodh e math mu dh'èisteachas tu ris an òran seo gu tric gus ionnsachadh. An uair sin, dh' fhaodhadh tu gan teagasg do chuideigin san teaghlach.

Listen to this voice recording to hear the months of the year song. Try singing along to it. It is be a good idea to listen to this song regularly to help you learn it. Then maybe you could teach it to someone in your family to help them say the months in Gaelic!

Na Miosan

An-diugh tha sinn dol a' dhèanamh mìosachan. Seall ris an dealbh agam gu h-ìosal. Dean dealbh airson gach mìos agus sgrìobh an t-ainm fodha.

Today we will make a calendar. Have a look at my example below. Draw a picture for each month and write its name below.

Obair a bharrachd | Extra task

Mu tha thu ag iarraidh, 's urrainn dhut priontadh mìosachan dheth bhon cheangail (no cruthaich fear thu fhèin) agus na dealbhan agad a chur ris. Gu mì-fhortanach tha e anns a' Bheurla, ach dh'fhaodadh tu eadar-theangachadh. | *If you like, you can print off a calendar from the link (or create your own one) and attach it to your own calendar. Unfortunately the months are written in English, but you could write a translation.*
