Èisteachd is Labhairt| Talking and Listening

Leugh thairis air na duilleagan fiosrachaidh 'Famous Mathematicians' a thug a' Bh-uas Hoy dhuinn ann am Matamataigs. Tagh aon neach ainmeil bhon bhuidheann agus cruthaich òraid beag (1 mionaid) air an neach a thagh thu. Èistidh sinn ri na taisbeanaidhean seo air Diluain no Dimàirt anns na seiseanan Gàidhlig air Teams. Feumaidh e a bhith 's a Ghàidhlig mar sin practas an òraid agad airson fàs nas misneachaile.

Dè dh'fheumas tu san òraid;

- Cò a thagh thu.
- Carson a thagh thu an neach seo.
- Carson a bha iad ainmeil agus ceangail seo ri rudan a bhios sinn a' dèanamh/ a' cleachdadh san latha an-diugh.
- Dèan beagan rannsachadh agus innis dhuinn dà phìos fiosrachaidh a bharrachd.

Read over the information sheets on 'Famous Mathematicians' that a' Bh-uas Hoy gave us in Mathematics. Pick one of these famous individuals from the group and create a small talk (1 minute) on the person you picked. We will listen to these presentations

on Monday and Tuesday in our live Gaelic sessions on Teams. This will be in Gaelic therefore, you should practice your talk to become more confident.

Your talk should include;

- Who you picked.
- Why you picked them.
- Why they were famous and link this to stuff we do or use today.
- Two pieces of information that you researched yourself.
