Ceistean Cinn | Mental Maths

This week focus is the 9 times table.

Here is a great way to remember your 9 times table

<https://www.youtube.com/watch?v=wCpyag9XLgI>

1 × 9 = 9
2 × 9 = 18
3 × 9 = 27
4 × 9 = 36
5 × 9 = 45
6 × 9 = 54
7 × 9 = 63
8 × 9 = 72
9 × 9 = 81
10 × 9 = 90
11 × 9 = 99
12 × 9 = 108

1. Skip counting
2. Write and read
3. Answer mixed questions slowly

4. Answer mixed questions quickly: Daily 10 is a fun way of trying to remember your times tables as fast as you can!
