Eilean Leòdhais- The Isle of Lewis

Fir-Tàileisg Leòdhais | Lewis Chessmen

Chaidh na Fir-Tàileisg Leòdhais air a lorg air tràigh ann an Uig ann an 1831. Nach iad a tha coimhead neònach?! | *The Lewis Chessmen were discovered on a beach in Uig in 1831. Don't they look unusual?*

Carson nach feuch thu pìos ealain? | *Why not try making a piece of artwork of the Lewis Chessmen. You can use whatever you have: paint, crayons, pencils, nature art...*

Dùbhlán a bharrachd: Smaoinich air sgeulachd mu dheidhinn an latha a thàinig na Fir-Tàileisg Leòdhais beò. 'N dùil dè thachair?... *As an extra challenge, imagine if the Lewis Chessmen came to life... I wonder what would happen. Can you think of a story?*

An t-Eilean Sgitheanach - The Isle of Skye

Tha an t-Eilean Sgitheanach gu math ainmeil airson dìneasaran. Chaidh 50 lorg-coise air a lorg san Eilean Sgitheanach còmhla ri fosailean eile. Seo dealbh de lorg-coise faisg air Stafainn. Thoir sùil air a' bhidio gus dìneasar fhaicinn a' coiseachd sna beanntan san Eilean Sgitheanach: <https://www.youtube.com/watch?v=IVFZovDWU2M>

The Isle of Skye is very famous for dinosaurs. There have been over 50 dinosaurs' footprints found on Skye along with other fossils. Here is a picture of one of the footprints found close to Staffin. Look at the video to see a dinosaur walking in the mountains.

Airson an gnìomh seo an urrainn dhut lorg-coise dìneasar a dhèanamh a' cleachdadh rudan bho thimcheall an dachaigh agad? No dh'fhaodadh tu cnàimheach a dhèanamh. | *For our Skye activity could you try and make your own dinosaur or footprint. You can use different materials from around your house or you could try and make a dinosaur skeleton.*

Colbhasa - Colonsay

'S e seilleanan sònraichte a tha a' fuireach ann an Colbhasa - na seilleanan dubha Cholbhasa. Chan iad a' fuireach ann an mòran àiteachan eile is air sgàth sin, chan urrainn am faicinn gu cumanta. Ged a tha an t-ainm "seilleanan dubha" orra, 's e buidhe is dubh na dathan a th' orra mar sheilleanan eile. The bees on Colonsay are special bees - Colonsay Black Bees. They do not live in many other places and so we do not see them often. Although they are called "Black Bees" they are yellow and black just like other bees.

 **Dèan dealbh de na seilleanan mar chairt-phuist airson "Haidh à Colbhasa!" a ràdh | Draw a picture of the bees as a post card that says "Hi from Colonsay!" on it.**

  **Tha 8 taighean-sheillean aig Mhgr Mac a' Phì Fhuair e a' mhil à leth dhaibh an-dè. Fhuair e a' mhil à cia mheud taigh-sheillean an-dè? Mr MacFee has 8 beehives. He took honey from half of them yesterday. How many beehives did he take honey from?**

   **Tha aon shileagan-meala de 500g a' cosg £17.00 . Cheannaich Donna trì dhaibh, dè phàigheas i airson na meala. One 500g jar of honey costs £17.00 . Donna bought three of them. How much did she pay for the honey?**

Eilean Ratharsair - Isle of Raasay

Tha an Eilean Ratharsair na eilean beag faisg air an Eilean Sgitheanach. Air an eilean seo, chì thu flùraichean, bhiastagan is eòin. Theirig a-mach airson cuairt clàbadair. An urrainn dhut na rudan seo a lorg, cia mheud a lorg thu?

The Isle of Raasay is a small island close to the Isle of Skye, on this island you can see different flowers, insects and birds. Go out for a scavenger hunt, can you find any of these things, how many did you find?

Photo taken from Alice MacMillan

Èirisgeigh - Eriskay

As t-sàmhraidh, tha e gu math spòrsail a dhol a-mach còmhla ri daoine eile gus rudeigin a ithe còmhla , gu h-àraidh ann an àite brèagha, mar eiseimplar air an tràigh no anns a' phàirc.

In the summer it's lots of fun to go outside with other people and to have a picnic, especially in a beautiful place like a beach or a park.

An urrainn dhut cuirm-chnuic a dhèanamh còmhla ri cuideigin aig an taigh? Feumaidh tu biadh, deoch agus is dòcha plaide agus sin e! Tha a' Bh-uas Bloomer air a bhith trang anns a' chidsin an teirm seo agus tha cuid de na reasabaidhean aice freagarrach airson cuirm-chnuic agus tha iad ceangailte gu h-ìosal.

Could you have a picnic with someone in your house? You'll need some food and something to drink and perhaps a blanket but that's it! Miss Bloomer has been busy in the kitchen this term and some of her recipes would be great for a picnic so they are attached underneath the grid.

Seo ise aig cuirm-chnuic air an tràigh ann an Èirisgeigh còmhla ri na parantan aice. Gabh spòrs!
Here she is enjoying a picnic on the beach in Eriskay with her parents. Have fun!!

RNLI - Bàta-Sàbhalaiddh

Bidh an RNLI a' cuideachdadh agus a' sàbhaladh beatha dhaoine nuair a tha iad ann an duilgheadas no cunnart faisg air uisge. Gu h-ìosal gheibh thu ceangal gu diofar ghoireasan mar a chumas tu sàbhailte ann, air agus timcheal an uisge agus tha seo glè chudromach, thoir sùil air na goireasan airson rudeigin ùr ionnsachadh. Tha bhidio gach Diciadain air 'Sàbhailteachd san Uisge' cuideachd. The RNLI help save lives when people are in difficulty close to water. Below you will find a link to different resources about how to keep safe in, on and around water, knowing this information about how to keep safe is very important, have a roam about the websites to learn something new. There is also a video every Wednesday about **Water Safety** that you could watch.

Water Safety from Home- <https://rnli.org/youth-education/water-safety-from-home>

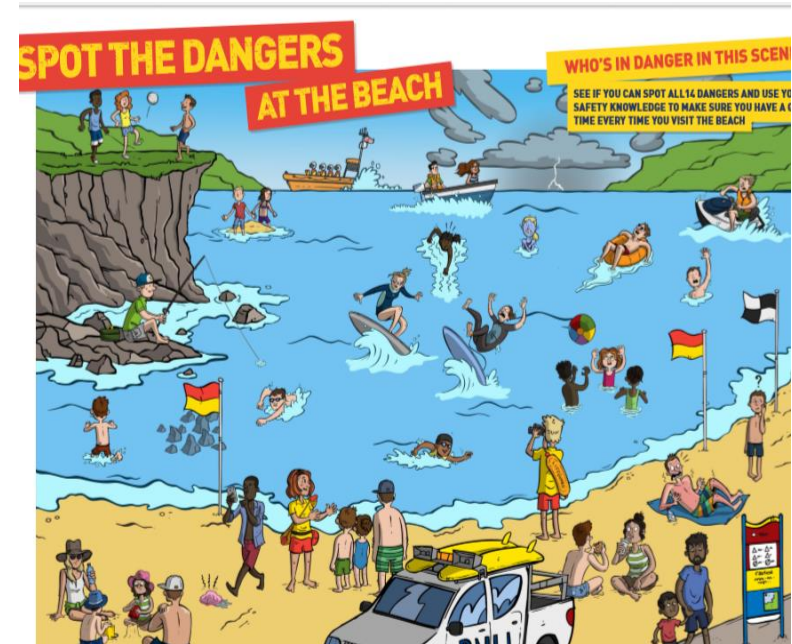

Spot the Danger- <https://rnli.org/youth-education/education-resources/activity-sheets-and-posters?page=2>

Videos and Resources for Primary- <https://rnli.org/youth-education/education-resources/lower-primary>

Tha aon de na gnìomhan a' coimhead air cunnartan faisg air a' mhuir, dè na cunnartan a chì thu san dealbh seo?

One of the activities looks at the dangers of being close to the sea, what dangers do you see in this photo?

Lifeboats
